Awards/honors/features:

- The Story Prize Spotlight Award
- Ms. Magazine's Best Books of 2023
- Amazon Editor's Pick

Description: A tragicomic collection of character-driven stories following an array of loners and artists—a boy with wings, a poet haunted by the ghost of Oscar Wilde, a queer beer brewer, a viral influencer—as they struggle to overcome grief in the wake of divorce, the pandemic, and other significant life changes.

SHELF AWARENESS PRO:

“Sindu invites readers to examine and ultimately accept these characters as they are: narcissistic, loving, unfaithful, righteous, greedy, kind, bigoted. There are no convenient endings here, but readers won't need them. Sindu's characters are terrible, wonderful, and, most of all, human. Will thrill fans of Carmen Maria Machado's *Her Body and Other Parties*.”

TOR.COM:

“Sindu's range as a writer is vast... and the styles and genres on display in this collection are further evidence of that.”

AKIL KUMARASAMY, AUTHOR OF *MEET US BY THE ROARING SEA*:

“A whirlwind of a collection. Bold, timely stories of what it means to live in this surreal world. Sindu's writing is electric.”

V.V. GANESHANANTHAN, AUTHOR OF *BROTHERLESS NIGHT*:

“What a fantastic, imaginative, subversive set of stories—probing the world and its people with questions and narratives that feel pulsingly alive and urgent, grounded in the world we know and also beautifully strange. In SJ Sindu's hands, you will not only upend your assumptions but also name ideas and feelings you didn't know you had. Read this and emerge changed and hungry.”

Description: A young boy grows up as the center of a Hindu cult, worshipped as Kalki, the next and last incarnation of the god Vishnu. His parents market him as a supernatural healer, and he is the focus of the ashram in which he lives. As he grows up, Kalki starts to doubt his abilities, and finally runs away at the age of twenty to discover who he is outside the lies he has always believed.

NEW YORK TIMES:

“It’s impossible not to be hypnotized.... Sindu masterfully renders how our environments bake into our skin.”

THE GUARDIAN:

“*Blue Skinned Gods* is a rich, beautifully told and moving examination of the allure of superstition and legend, the pains of growing up and the pitfalls of lying to others and lying to yourself.”

ROXANE GAY, *NEW YORK TIMES* BESTSELLING AUTHOR OF *HUNGER*:

“SJ Sindu has written another brilliant novel in *Blue-Skinned Gods*...Here is a novel about the bonds between brothers, a deceptive tyrant and son, a mother who doesn’t know how to save herself or her child, a boy and how he yearns for his young loves, and so much more. The richness of this story will take hold of you and never let go.”

PUBLISHER’S WEEKLY (STARRED REVIEW):

“[T]he slow-burn narrative by the end becomes incandescent. Sindu’s stunning effort more than delivers on her initial promise.”

Description: A Sri Lankan American lesbian named Lucky is in a marriage of convenience with a gay man. Together, the two of them present an illusion of heterosexual marital bliss to their conservative families while dating on the side. But when Lucky’s girlfriend gets an arranged marriage, Lucky’s life of lies starts to fall apart. This novel investigates the complex, at times painful intersection of queerness and South Asian American identity.

PUBLISHER’S WEEKLY:

“Perceptive, subtle, and provocative...Sindu’s characters, including Lucky’s divorced parents, are all believably complicated and compassionately observed...in a moving and memorable story.”

MS. MAGAZINE:

“A heart-wrenching debut novel...incorporates love, loss, family, rebirth and growth to tell a captivating story you won’t be able to put down.”

BOOK RIOT:

“So good...heartbreaking in the way it portrayed the characters torn between happiness and custom. SJ Sindu does a beautiful job describing how Lucky feels about living a secret life and her fear of disappointing her parents, and the language and imagery is gorgeous.”

Description: Nimmi dreams of the mother she’d never met. Though she has her overprotective father and a budding relationship with a boy at her school, she yearns of traveling to Sri Lanka to find and meet the mother who gave her up and refused to leave the island, not even in times of war. When Nimmi’s journalist father gets an assignment to cover Sri Lanka, Nimmi secretly follows him. Guided by a beautiful Red Cross volunteer named Sheila—on whom Nimmi quickly develops a crush—Nimmi and her father make their way to her mother’s hometown, only to get caught in the 2004 tsunami that devastates the island.

KIRKUS:

“This graphic novel’s most powerful pages are the wordless ones showing the tsunami and the wreckage and ruin it leaves behind. The characters’ human resilience and grit shine through beautifully in the straightforward text and fluid artwork executed in a muted palette. The book offers glimpses of the long-running conflict in Sri Lanka, its political and social history, the presence of international media, and the complexities of migration. Parenthood, found family, migration, and war are some of the themes that run through this poignant narrative. A strikingly illustrated story of love and war.”

SCHOOL LIBRARY JOURNAL:

“A compelling, heartfelt story, and an excellent addition to most YA graphic novel collections.”

"This trim graphic novel offers all the right elements of magic, school struggles, and family negotiations to satisfy young readers."

PUBLISHER'S WEEKLY (STARRED REVIEW):

Fiercely courageous characters and a gripping narrative further elevate this exhilarating fantastical adventure."

I Once Met You But You Were Dead. Split Lip Press. December 2016.

Awards/honors:

- Winner of 2016 Split Lip Turnbuckle Chapbook Contest

Description: *I Once Met You But You Were Dead* is a hybrid chapbook of fiction and nonfiction that juxtaposes girlhood, womanhood, and cultural gender politics with war and violence. The chapbook's short pieces play with the ways in which the feminine contends with, learns, confronts, negotiates, absorbs, and wields masculine power and violence—leading, ultimately, toward an inquiry into the gray space of identity.
